CYCLADES

.CYCLADES

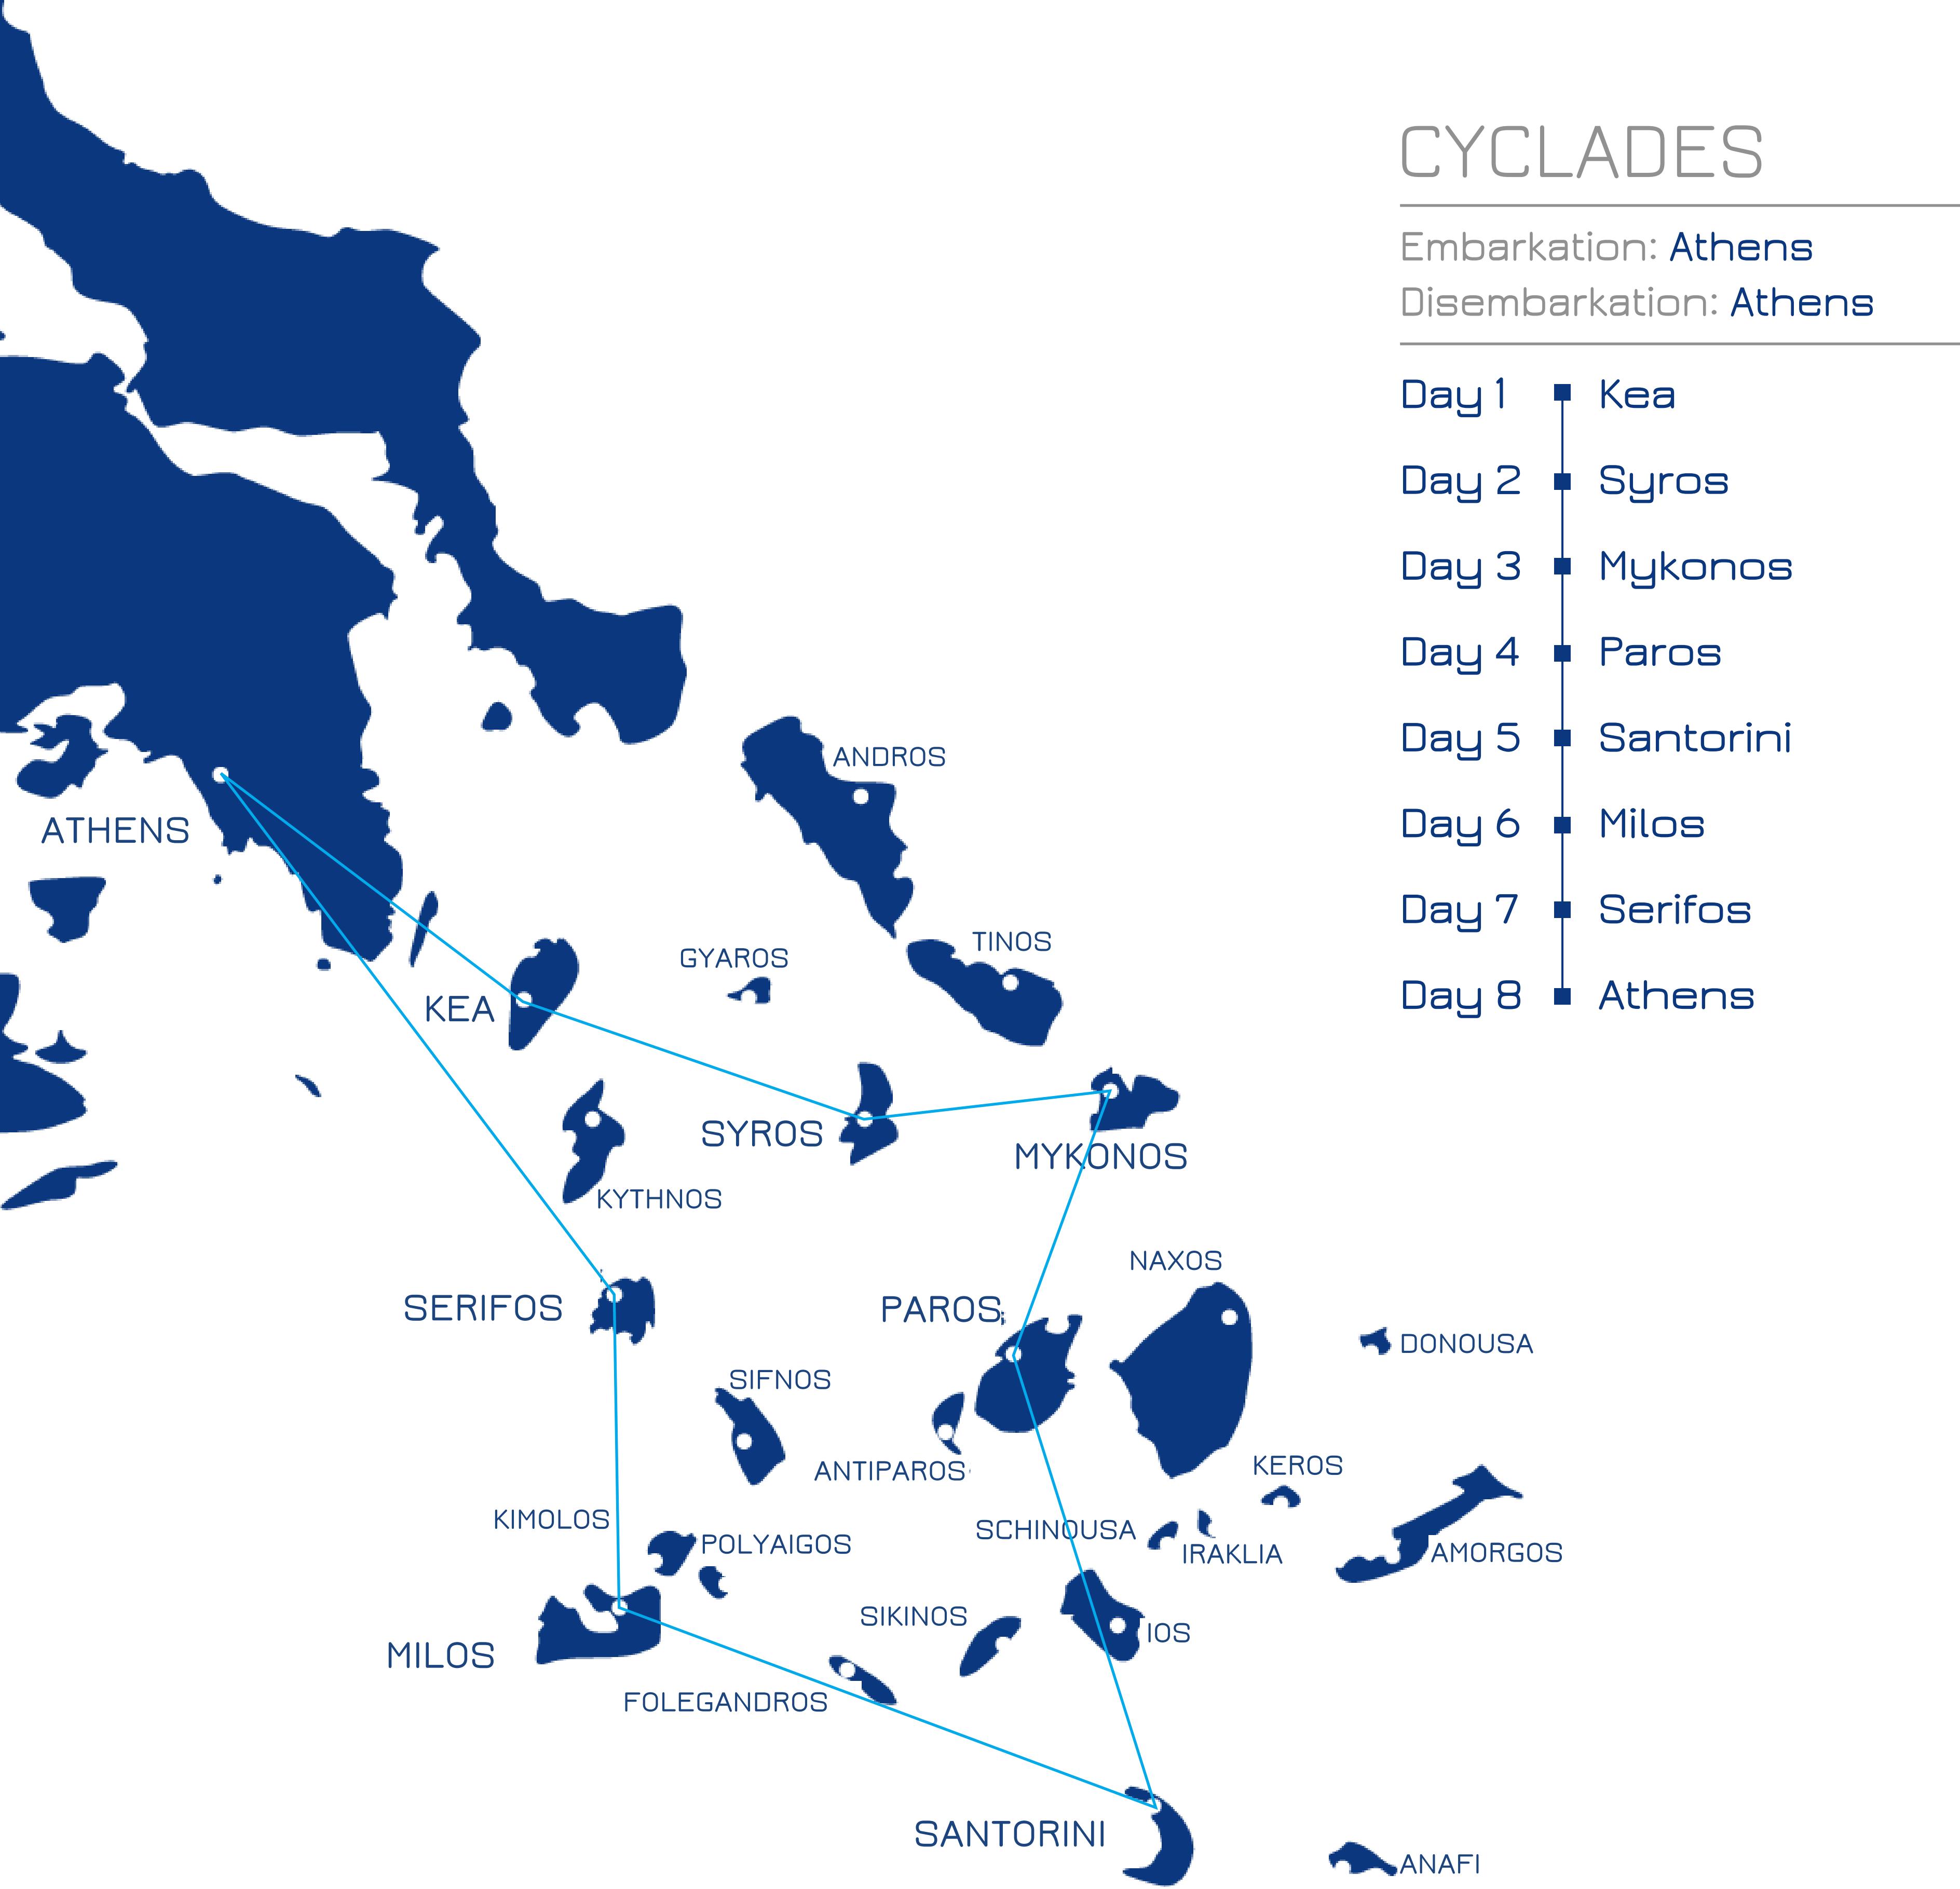

The Cyclades are rocky and dry islands with sparkling clear waters and beautiful small white houses. Santorini, in particular, is famous for the most majestic and unforgettable sunsets in the world. Mykonos is well known for its nightlife and superbly beautiful beaches.

Mostly, though, the Cyclades are best known for their history, art and culture.

CYCLADES

Embarkation: Athens
Disembarkation: Athens

Day 1	Kea
Day 2	Syros
Day 3	Mykonos
Day 4	Paros
Day 5	Santorini
Day 6	Milos
Day 7	Serifos
Day 8	Athens

KEA

Day 1

This exceptionally picturesque island with its rich history is very close to Athens and offers relaxing pristine beaches.

The beautiful little valleys, vineyards and idyllic coves will leave you with a lasting impression.

SYROS

Day 2

Influenced by the Venetians, Syros is original in its beauty and culture. Ermoupolis, the capital of Syros, is also the capital of the Cyclades islands and offers scenic architecture with noble and stylish features that still preserve today, including the elegant Apollo Theatre in the central square.

MYKONOS

Day 3

The most popular island, considered as the high life, cosmopolitan center of the Cyclades with its picturesque towns, chic designer boutiques and A-class cuisine.

Mykonos is renowned for its colorful nightlife, beautiful beaches and extravagant lifestyle.

PAROS

Day 4

The second largest island of the Cyclades, characterized by charming villages such as Naoussa, a fishing village located in a huge bay in the northern part of Paros.

Crystal blue waters, gold sands and a happening night life, Paros is the perfect choice for tranquil or cosmopolitan holidays.

SANTORINI

Day 5

The extraordinary landscape as a result of the volcano's explosion in 1500 B.C. makes Santorini the most unique island to explore.

Famous for its breathtaking sunsets overlooking vast blue seas from high cliffs, and astonishing black pebbled beaches, Santorini offers a once in a lifetime experience.

• MILOS

Day 6

The Island is defined by dramatic coastal landscapes of colorful and surreal rock formations as well as its underwater caves and crystal clear waters. It is also famous for the discovery of the statue of Venus (Aphrodite) which you can find today at the Louvre in Paris.

SERIFOS

Day 7

An idyllic island with its white villages, quiet harbors, golden beaches, bare hills and virgin landscapes, that has kept its traditional character. The serene atmosphere makes Serifos a perfect island for relaxation.
